MICHAEL EVERETTS,

Plaintiff,

v.

PERSONAL TOUCH HOLDING CORP.,
a Delaware corporation,

Defendant.

Case No.: 2:21-cv-02061 (JMA) (ARL)

**PLAINTIFF’S MEMORANDUM IN SUPPORT OF UNOPPOSED
SUPPLEMENTAL MOTION FOR SERVICE AWARD AND AWARD
OF ATTORNEY’S FEES AND LITIGATION COSTS**

Plaintiff Michael Everetts (“Plaintiff”), pursuant to the Court’s Preliminary Approval Order directing the filing of a supplemental fee motion made after valid and approved claims are calculated (ECF No. 39 at 5), files this supplemental fee motion in support of his previous request for a service award and an award of attorney’s fees and litigation costs, which includes a full discussion of those requests and the *Goldberger* factors that courts consider in analyzing requests for attorney’s fees (ECF No. 40 and 41) (the “Initial Motion”).¹ As the Court instructed, Plaintiff here calculates the overall value of the Settlement based not on the \$3,000,000 aggregate cap that applied to Approved Claims for Attested Time and Out-of-Pocket Losses, but instead based on the actual value of these Approved Claims. Plaintiff also provides updated lodestar information accounting for work performed since the Initial Motion was filed.

¹ Unless otherwise noted, all capitalized terms are defined in the Settlement Agreement (“S.A.”), which is attached to Plaintiff’s Unopposed Motion to Direct Class Notice and Grant Preliminary Approval of Class Action Settlement (ECF No. 37) as Exhibit A (ECF No. 37-1).

- I. The proposed fee award is 14.7% of the overall Settlement value comprised of the value of Approved Claims for Attested Time and Out-of-Pocket Losses, the retail value of Approved Claims for Identity Theft Total Service, the cost of Business Practice Commitments, the costs of notice and administration, and the proposed fee award.**

If the Settlement receives final approval, PTHC will pay an aggregate cap of \$3,000,000.00 for the following:

- (i) up to \$7,500.00 per Exposure Class Member for unreimbursed costs or expenditures that are fairly traceable to the security breach, including (1) unreimbursed costs, expenses, losses or charges incurred as a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of class member's personal information; (2) other miscellaneous expenses incurred related to any Out-of-Pocket Loss such as notary, fax, postage, copying, mileage, bank, and long-distance telephone charges; (3) credit monitoring or other mitigative costs that were incurred on or after January 20, 2021 (or the earliest verifiable date the security breach occurred) through the date of the class member's claim submission; and (4) unpaid time off work to address issues fairly traceable to the security breach at the actual hourly rate of that class member;
- (ii) for members of the Exposure Class with Out-of-Pocket Losses, payment for up to three (3) hours of time spent remedying issues related to the security breach at Twenty Five Dollars (\$25) per hour;
- (iii) up to \$125 per Non-Exposure Class Member for unreimbursed costs or expenditures that are fairly traceable to receipt of notice from Defendant of the security breach;
- (iv) for members of the Non-Exposure Class with Out-of-Pocket Losses, payment for

up to three (3) hours of time spent remediating issues related to the receipt of notice from Defendant of the security breach at Twenty Five Dollars (\$25) per hour; and (v) settlement administration fees of \$539,030.80 (\$369,030.80 incurred to July 1, 2024 and \$170,000.00 estimated to be incurred to complete administration of the settlement). Declaration of Scott M. Fenwick of Kroll Settlement Administration LLC in Connection with Final Approval of Settlement (“Fenwick Decl.”) ¶ 19, attached hereto as **Exhibit A**.

As of July 1, 2024, (1) the Exposure Class has submitted 893 Approved Claims for Attested Time with an aggregate estimated value of \$60,275 and 4 Approved Claims for Out-of-Pocket Losses with an aggregate estimated value of \$1,009.88 and (2) the Non-Exposure Class has submitted 585 Approved Claims for Attested Time with an aggregate estimated value of \$36,850 and 1 Approved Claim for Out-of-Pocket Losses with an estimated value of \$75. *Id.* ¶ 16. Accordingly, the aggregate value of claims for Attested Time and Out-of-Pocket Losses is \$98,209.88.

PTHC will also separately pay the cost of two years of Identity Defense Total Service for members of both the Exposure Class and the Non-Exposure Class who make a claim for this benefit, subject to an aggregate cap of \$67,000.00. As of July 1, 2024, the Exposure Class has submitted 620 Approved Claims for this benefit and the Non-Exposure Class has submitted 531 Approved Claims for this benefit, resulting in 1,151 total Approved Claims for this benefit. *Id.* Although the Non-Exposure Class is not entitled to such relief under the S.A., PTHC is willing to provide for those who asked for it despite the additional cost to PTHC. Each claim has a retail value of \$19.99/month * 24 months = \$479.76. Declaration of Ryan D. Maxey, Esq. (“Maxey Decl.”) ¶ 3, attached hereto as **Exhibit B**. Accordingly, the retail value of Approved Claims for

this benefit is \$552,203.76.

In addition to the monetary relief and Identity Defense Total Service, PTHC has taken and agrees to continue for 36 months an adjustment to its internal controls and systems to further secure its protected health information and personally identifiable information (the “Business Practice Commitments”). It is Class Counsel’s understanding based on information provided by Defendant that the initial cost for PTHC’s implementation of certain security was approximately \$700,000, as follows: (i) \$223,000 for enhanced email platform licenses, (ii) \$38,193 for implementing multi-factor authentication, (iii) \$67,880 for cybersecurity awareness training, (iv) \$128,100 for endpoint detection, monitoring, and response systems, (v) \$209,800 for additional dedicated security resources, (vi) \$40,000 for annual risk management assessments and penetration testing by third-party. Maxey Decl. ¶ 4. In addition to these initial costs, PTHC incurred and will incur: (i) approximately \$300,000 in man hours for implementing and maintaining these changes and (ii) approximately \$700,000 in annual subscription fees and vendor charges, for a total approximate investment by PTHC of \$1.7M to date. *Id.*

Altogether, the value of the Settlement, exclusive of any service award, attorney’s fees, and litigation costs, is estimated at \$2,889,444.44 (comprised of \$98,209.88 in Approved Claims for Attested Time or Out-of-Pocket Losses, \$552,203.76 in retail value of Approved Claims for Identity Theft Total Service, \$1,700,000 in the cost to date and estimated future costs for the Business Practice Commitments, and \$539,030.80 in past and estimated future notice and administration costs).

As explained in the Initial Fee Motion, (ECF No. 41 at 10), in *In re Hudson’s Bay Co. Data Sec. Incident Consumer Litig.*, 2022 WL 2063864 (S.D.N.Y. June 8, 2022), the Court explained that “any award of attorney’s fees” is part of the “benefit to the class.” *Id.* at *22 (increasing total

value of settlement to include attorney’s fees). Adding the proposed attorney’s fees award of \$497,357.41 (\$510,000 allowed under the Settlement minus \$12,642.59 in litigation costs) to \$2,889,444.44 increases the overall Settlement value to 3,386,801.85,² making the requested fee award 14.7% of the overall Settlement value, well within the acceptable range for attorney’s fees awards in class action settlements.

II. The updated lodestar is \$261,315.00, resulting in a lodestar multiplier of 1.9x based on the proposed fee award of \$497,357.41.

In the Initial Motion, Plaintiff reported a lodestar of \$247,282.50 (\$229,762.50 for Morgan & Morgan and \$17,520.00 for Maxey Law Firm). (ECF No. 41 at 11). Since that time, Class Counsel have incurred an additional \$14,032.00 in lodestar (\$2,352.50 for Morgan & Morgan and \$11,679.50 for Maxey Law Firm) associated with preparing this Supplemental Motion and the Motion for Final Approval, resulting in total hours as follows:

Morgan & Morgan

Name	Role	Hours	Hourly Rate	Lodestar
Ryan Maxey	Attorney	115.90	\$800	\$92,720.00
John Yanchunis	Attorney	48.70	\$1,600	\$77,920.00
Patrick Barthle	Attorney	41.00	\$800	\$32,800.00
Kenya Reddy	Attorney	27.10	\$1,000	\$27,100.00
Jennifer Cabezas	Paralegal	7.00	\$225	\$1,575.00
Total:				\$232,115.00

² For simplicity’s sake, Plaintiff does not include the \$12,642.59 in litigation costs and proposed service award of \$2,500 in the overall value of the Settlement as they would result in a negligible reduction of the proposed fee award’s percentage of the overall Settlement value.

*Maxey Law Firm (since July 2023)*³

Name	Role	Hours	Hourly Rate	Lodestar
Ryan Maxey	Attorney	36.50	\$800	\$29,200.00

Maxey Decl. ¶ 5.

TOTAL HOURS: 276.2

TOTAL LODESTAR: \$261,315.00

This means a reasonable lodestar multiplier of 1.9x against the request for \$497,357.41 in attorney's fees. *See Reynolds v. Marymount Manhattan Coll.*, No. 1:22-CV-06846-LGS, 2023 WL 6977635, at *2 (S.D.N.Y. Oct. 23, 2023) (data breach case deeming 1.1 multiplier "well within the range of reasonable multipliers" and citing cases allowing multipliers of 1.14 and 1.94, the latter deeming 1.82 the "median multiplier ... in consumer cases").

As explained further in the Initial Motion, (i) this time does not account for Class Counsel's attendance at the final approval hearing and any additional work that could be required should there be an objection or an appeal and (ii) the hours reported are easily justified by the underlying work. (ECF No. 41 at 12-13).

WHEREFORE, Plaintiff respectfully requests that the Court award the requested \$497,357.41 in attorney's fees.

CLASS ACTION

**DECLARATION OF
SCOTT M. FENWICK OF KROLL
SETTLEMENT ADMINISTRATION LLC
IN CONNECTION WITH FINAL
APPROVAL OF SETTLEMENT**

Date: July 22, 2024

Time: 10:00 a.m.

Dept: Courtroom 920

The Hon. Joan M. Azrack

I, Scott M. Fenwick, declare as follows:

INTRODUCTION

1. I am a Senior Director of Kroll Settlement Administration LLC (“Kroll”),¹ the Claims Administrator² appointed in the above-captioned case, whose principal office is located at 2000 Market Street, Suite 2700, Philadelphia, Pennsylvania 19103. I am over 21 years of age and am authorized to make this declaration on behalf of Kroll and myself. The following statements are based on my personal knowledge and information provided by other experienced Kroll employees working under my general supervision. This declaration is being filed in connection with final approval of the settlement.

2. Kroll has extensive experience in class action matters, having provided services in class action settlements involving antitrust, securities fraud, labor and employment, consumer, and government enforcement matters. Kroll has provided notification and/or claims administration services in more than 3,000 cases.

BACKGROUND

3. Kroll was appointed as the Claims Administrator to provide notification and Claims Administration services in connection with the Settlement Agreement entered into this Litigation. Kroll’s duties in connection with the settlement have and will include: (a) creating a settlement website with online claim filing capabilities; (b) establishing a toll-free telephone number; (c) establishing a post office box for the receipt of mail; (d) receiving and analyzing the Settlement Class Member contact list (the “Class List”) from PTHC’s counsel; (e) preparing and sending the Short-Form Notice via first-class mail; (f) receiving and processing mail from the United States Postal Service (“USPS”) with forwarding addresses; (g) receiving and processing undeliverable mail, without a forwarding address, from the USPS; (h) receiving and processing Claim Forms;

¹ Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Settlement Agreement.

² The Settlement Agreement and Preliminary Approval Order appoint “Kroll” as the Claims Administrator. Kroll Settlement Administration LLC is the full legal name of the Claims Administrator in this Litigation.

(i) receiving and processing requests for exclusion; and (j) such other tasks as counsel for the Parties or the Court request Kroll to perform.

NOTICE PROGRAM

Data and Case Setup

4. On January 29, 2024, Kroll created a dedicated settlement website entitled www.personaltouchdatasettlement.com (the “Settlement Website”). The Settlement Website “went live” on February 21, 2024, and contains information about the settlement, including important dates and deadlines such as the Objection and Opt-Out Dates, the Claims Deadline, and the Final Fairness Hearing date, answers to frequently asked questions, and contact information for the Claim Administrator. The Settlement Website also contains downloadable copies of the Settlement Agreement, Preliminary Approval Order, Class Action Complaint and accompanying exhibits, Claim Form, and Long-Form Notice, and allowed Settlement Class Members an opportunity to file a Claim Form online.

5. On January 29, 2024, Kroll established a toll-free telephone number, (833) 462-3481, for Settlement Class Members to call and obtain additional information regarding the settlement through an Interactive Voice Response (“IVR”) system and/or by being connected to a live operator. As of July 1, 2024, the IVR system has received 3,404 calls, and 106 callers have been connected to live operators.

6. On January 29, 2024, Kroll designated a post office box with the mailing address *Personal Touch Holding Corp.*, c/o Kroll Settlement Administration LLC, PO Box 225391, New York, NY 10150-5391, in order to receive requests for exclusion, Claim Forms, and correspondence from Settlement Class Members.

7. On February 5, 2024, Kroll received one (1) data file from PTHC’s counsel. The file contained 753,107 names and physical mailing addresses. Kroll undertook several steps to reconcile the list and compile the eventual Class List for the mailing of Short-Form Notices. Kroll identified and removed 8,627 duplicate records. As a result of this process, Kroll was able to identify 744,480 unique records. Of these unique records, 592 contained an invalid physical

mailing address. The eventual Class List contained records for 743,888 Settlement Class Members to whom Short-Form Notices could be mailed. Additionally, in an effort to ensure that Short-Form Notices would be deliverable to Settlement Class Members, Kroll ran the Class List through the USPS's National Change of Address ("NCOA") database and updated the Class List with address changes received from the NCOA.

The Notice Program

8. On February 21, 2024, Kroll caused 743,888 Short-Form Notices to be mailed via first-class mail. A true and correct copy of the Short-Form Notice, along with the Long-Form Notice and Claim Form, are attached hereto as **Exhibits A, B, and C**, respectively.

NOTICE PROGRAM REACH

9. As of July 1, 2024, 1,397 Short-Form Notices were returned by the USPS with a forwarding address. Of those, 1,214 Short-Form Notices were automatically re-mailed to the updated addresses provided by the USPS. The remaining 183 Short-Form Notices were re-mailed by Kroll to the updated address provided by the USPS.

10. As of July 1, 2024, 143,256 Notices were returned by the USPS as undeliverable as addressed, without a forwarding address. Kroll ran 143,193 undeliverable records through an advanced address search. The advanced address search produced 91,676 updated addresses. Kroll has re-mailed Short-Form Notices to the 91,676 updated addresses obtained from the advanced address search. Of the 91,676 re-mailed Short-Form Notices, 23,832 have been returned as undeliverable a second time.

11. Based on the foregoing, following all Short-Form Notice re-mailings, Kroll has reason to believe that Short-Form Notices likely reached 668,476 of the 743,488 persons to whom Short-Form Notice was mailed, which equates to a reach rate of the direct mail Notice of approximately 89.86%. This reach rate is consistent with other court-approved, best-practicable

notice programs and Federal Judicial Center Guidelines, which state that a notice plan that reaches³ over 70% of targeted class members is considered a high percentage and the “norm” of a notice campaign.⁴ The table below provides an overview of dissemination results for the direct Notice Program.

Direct Notice Program Dissemination & Reach		
Description	Volume of Settlement Class Members	Percentage of Settlement Class Members
Settlement Class Members	743,888	100.0%
Initial Notice Mailing		
(+) Notices Mailed (Initial Campaign)	743,888	100.0%
(-) Total Notices returned as undeliverable	(143,256)	19.26%
Supplemental Notice Mailing		
(+) Total Unique Notices Re-mailed	91,676	12.32%
(-) Total Undeliverable (Re-Mailed) Notices	(23,832)	3.2%
Direct Notice Program Reach		
(=) Likely Received Direct Notice	668,476	89.86%

CLAIM ACTIVITY

12. The Claims Deadline was May 21, 2024.

13. As of July 1, 2024, Kroll has received 252 timely Claim Forms through the mail and 2,472 Claim Forms filed electronically through the Settlement Website. Kroll is still in the process of reviewing and validating Claim Forms.

14. To prevent Claim Forms from being filed by individuals outside the Settlement Class and to curtail fraud, Settlement Class Members were provided a unique “Class Member ID” on their respective Short-Form Notices. The Class Member ID was required for Settlement Class Members to file a Claim Form online.

³ FED. JUD. CTR., *Judges’ Class Action Notice and Claims Process Checklist and Plain Language Guide* (2010), available at <https://www.fjc.gov/sites/default/files/2012/NotCheck.pdf>. The guide suggests that the minimum threshold for adequate notice is 70%.

⁴ Barbara Rothstein and Thomas Willging, *Federal Judicial Center Managing Class Action Litigation: A Pocket Guide for Judges*, at 27 (3d Ed. 2010).

15. As of July 1, 2024, Kroll has received nine (9) late Claim Forms.

16. As of July 1, 2024, Kroll has validated 2,039 claims with an aggregate estimated value of \$98,209.88. The following is a summary of the 2,039 Approved Claims and types of benefits claimed therein⁵:

i. Exposure Class Approved Claims:

a. *Attested Time* (calculated at \$25 per hour up to three (3) hours): 893 Approved Claims with an aggregate estimated value of \$60,275.

b. *Out-of-Pocket Losses Approved Claims*: four (4) Approved Claims with an aggregate estimated value of \$1,009.88.

c. *Identity Defense Total Service*: 620 Approved Claims

ii. Non-Exposure Class Approved Claims:

a. *Attested Time* (calculated at \$25 per hour up to three (3) hours): 585 Approved Claims with an aggregate estimated value of \$36,850.

b. *Out-of-Pocket Losses Approved Claims*: one (1) Approved Claim with an estimated value of \$75.

c. *Identity Defense Total Service*: 531 Approved Claims

EXCLUSIONS AND OBJECTIONS

17. The Opt-Out Date and Objection Date was May 21, 2024.

18. Kroll has received three (3) timely requests for exclusion. The Opt-Out List is attached hereto as **Exhibit D**. Settlement Class Members were not instructed to submit their objection to the Claims Administrator, and none have been received by Kroll.

COSTS OF NOTICE PROGRAM

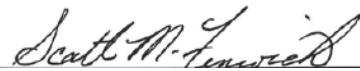

19. 24. As of July 1, 2024, Kroll has billed \$369,030.80 for services and fees incurred in the administration of this matter. Kroll estimates that it will bill an additional \$170,000 to complete the administration of this settlement. The current estimate is subject to change

⁵ Claimants had the ability to submit claims for multiple benefit types.

depending on factors such as the number of Claim Forms remaining to be reviewed, number of Claim Forms filed, and/or any Claims Administration scope change not currently under consideration. This estimate is based on Kroll's many years of experience administering class action settlements.

CERTIFICATION

I declare under penalty of perjury under the laws of the United States that the above is true and correct to the best of my knowledge and that this declaration was executed on July 1, 2024, in East Palestine, Ohio.

A settlement has been reached in a class action lawsuit about a Data Breach that occurred in or about January 2021, which potentially exposed personally identifiable information ("PII") and/or protected health information ("PHI") of patients and employees of PTHC or its subsidiaries, (the "Data Breach"). The lawsuit alleges that PTHC was responsible for the Data Breach because it did not take appropriate care to protect PII and PHI from unauthorized disclosure. The lawsuit is called *Michael Everetts v. Personal Touch Holding Corp.*, Case No. 2:21-cv-02061 (JMA) (ARL), pending in the United States District Court for the Eastern District of New York (the "Litigation"). PTHC denies the claims and denies any wrongdoing.

PTHC records show you are a likely a Settlement Class Member. Individuals whose information **was** potentially exposed in the Data Breach may submit a Settlement Claim of up to \$7,500 for documented unreimbursed, Out-of-Pocket Losses and Attested Time fairly traceable to the Data Breach. Individuals whose information **was not** potentially exposed in the Data Breach may submit a Settlement Claim for documented unreimbursed, Out-of-Pocket Losses of up to \$125 and Attested Time fairly traceable to receiving notice of the Data Breach. The settlement also includes two years of Identity Defense Total Service for individuals whose PII or PHI was potentially exposed in the Data Breach.

If you are a Settlement Class Member and you want to receive any benefits from the settlement, you must complete and submit a Claim Form along with any required supporting information.

Claim Forms can be found and completed on the website, www.personaltouchdatasettlement.com.

The Claims Deadline to submit a Claim Form is May 21, 2024.

Settlement Class Members may also request exclusion from the settlement or object to it. Requests for exclusion are due by the Opt-Out Date of **May 21, 2024**. Settlement Class Members who do not request exclusion can object to the settlement. Objections are due by the Objection Date of **May 21, 2024**. The Court will hold a Final Fairness Hearing on **July 22, 2024 at 10:00 a.m.** at the United States District Court for the Eastern District of New York, 100 Federal Plaza, Central Islip, NY 11722, Courtroom 920, to consider whether to approve the settlement. The Court will hear objections, determine if the settlement is fair, and consider Proposed Class Counsel's request for attorneys' fees, costs, and expenses of \$510,000 and service award of up to \$2,500 for the Representative Plaintiff. You or your own lawyer may ask to appear at the hearing to be heard by the Court, but you do not have to. The motion for attorneys' fees and costs and service awards for the Representative Plaintiff will be posted on the website after it is filed with the Court.

The Court has appointed the following Proposed Class Counsel to represent the Settlement Class in this Litigation: John A. Yanchunis of Morgan & Morgan Complex Litigation Group, 201 N. Franklin St., 7th Floor, Tampa, Florida 33602 and Ryan D. Maxey of Maxey Law Firm, 107 N. 11th St. #402, Tampa, FL 33602.

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF NEW YORK**

If you received a notice of Data Breach regarding the Data Breach from Personal Touch Holding Corp. (“PTHC”) on or around March 24, 2021, you may be eligible for a class action settlement payment.

A Court authorized this Notice. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit about a Data Breach that occurred in or around January 2021, which potentially exposed personally identifiable information (“PII”) and/or protected health information (“PHI”) of patients and employees of PTHC or its subsidiaries (the “Data Breach”).
- PTHC, through its subsidiaries, provides home health and home care personnel and related services to individuals in their homes. The circumstances giving rise to this case occurred in or about January 2021 and involved an unauthorized person who accessed PTHC’s private cloud hosted by its managed service providers and may have accessed private cloud business records of PTHC and its direct and indirect subsidiaries. The exposed information may have included medical treatment information, insurance card and health plan benefit numbers, medical record numbers, first and last name, address, telephone numbers, date of birth, Social Security Numbers, and financial information, including check copies, credit card numbers, and bank account information. Subsequently, a lawsuit was filed against PTHC, alleging that it did not take appropriate care to protect the patients and employees from the Data Breach.
- PTHC denies all of the Plaintiff’s claims in the lawsuit and maintains it did not do anything wrong but has agreed to settle the case to avoid the expense and burdens of litigation.
- The settlement includes all Persons to whom PTHC sent notification, whether by direct written notice or substitute notice, that their PII and/or PHI may have been or was exposed to unauthorized third parties as a result of the Data Breach.
- The settlement provides payments to individuals who submit Approved Claims for Out-of-Pocket Losses and Attested Time that are fairly traceable to the Data Breach or fairly traceable to receiving notice of the Data Breach.
- The settlement also includes two years of Identity Defense Total Service for individuals whose PII or PHI was potentially exposed in the Data Breach. You must submit a Settlement Claim to receive this benefit.

Your legal rights are affected even if you do nothing. Read this Notice carefully.

BASIC INFORMATION

1. Why was this Notice issued?

The Court authorized this Notice because you have a right to know about the proposed settlement in this class action lawsuit and about all of your options before the Court decides whether to give “final approval” to the settlement. This Notice explains the legal rights and options that you may exercise before the Court decides whether to approve the settlement.

This matter involves a lawsuit styled *Everetts v. Personal Touch Holding Corp.*, in the United States District Court for the Eastern District of New York, Case No. 2:21-cv-02061 (the “Litigation”). The Person who sued is called the Plaintiff. PTHC is called the Defendant.

2. What is this Litigation about?

The Litigation claims that PTHC (“Defendant”) was responsible for the Data Breach and asserts claims such as: negligence, breach of contract, and breach of confidence. The Litigation seeks compensation for people who experienced unreimbursed, documented Out-of-Pocket Expenses, fraudulent charges, and/or Attested Time related the Data Breach or to receiving notice of the Data Breach.

PTHC denies all of the Plaintiff’s claims and maintains it did not do anything wrong.

3. Why is this Litigation a class action?

In a class action, one person called the “Representative Plaintiff” sues on behalf of all people who have similar claims. All of these people together are the “Settlement Class” or “Settlement Class Members.” In this case, the Representative Plaintiff is Michael Everetts. One Court resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Settlement Class.

4. Why is there a settlement?

By agreeing to settle, both sides avoid the cost and risk of a trial, and people who submit valid timely Claim Forms will get compensation. The Representative Plaintiff and his attorneys believe the settlement is fair, reasonable, and adequate and, thus, best for the Settlement Class and its members. The settlement does NOT mean that PTHC did anything wrong.

WHO IS IN THE SETTLEMENT?

5. How do I know if I am included in the settlement?

You are included in the Settlement Class if you are a Person to whom PTHC sent notification, whether by direct written notice or substitute notice, on or about March 24, 2021, that PII and/or PHI may have been exposed to unauthorized third parties as a result of the Data Breach occurring in or about January 2021.

Specifically excluded from the Settlement Class are: (i) PTHC and its officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class;

(iii) the Judge assigned to evaluate the fairness of this settlement; (iv) the attorneys representing the Parties in the Litigation; and (v) any other individual found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity involved in the Data Breach or who pleads *nolo contendere* to any such charge.

6. What if I am not sure whether I am included in the settlement?

If you are not sure whether you are included in the settlement, you may call (833) 462-3481 with questions or visit www.personaltouchdatasettlement.com. You may also write with questions to Personal Touch Holding Corp., c/o Kroll Settlement Administration, PO Box 225391, New York, NY 10150-5391. Please do not contact the Court with questions.

THE SETTLEMENT BENEFITS

7. What does the settlement provide?

The settlement will provide payments to people who submit valid timely Claim Forms. There are two types of general payments that are available:

- (1) Reimbursement for Out-of-Pocket Losses and Attested Time for individuals whose PII or PHI *was* potentially exposed in the Data Breach (Question 8) and
- (2) Reimbursement for Out-of-Pocket Losses and Attested Time for individuals whose PII or PHI *was not* potentially exposed in the Data Breach (Question 9).

You must provide proof of your Settlement Class membership in the form of either (1) the unique identifier provided in the Notice you received by postcard or e-mail; or (2) name and physical address you provided to PTHC or its subsidiaries for healthcare or employment purposes.

If you provide a bill or payment card statement as part of required proof for any part of your Settlement Claim, you may redact unrelated transactions and all but the first four and last four digits of any account number. In order to claim each type of payment, you must provide related documentation with the Claim Form, and the expense for which you are submitting a Claim Form cannot have been reimbursed through any other source.

For individuals whose PII or PHI was potentially exposed in the Data Breach, the settlement also includes Identity Defense Total Service for a period of 2 years from the effective date of the settlement. You must submit a Settlement Claim to receive this benefit.

Finally, as part of the settlement, PTHC has agreed to adjust its internal controls and systems to further secure its PII and PHI. More details are provided in the Settlement Agreement, which is available at www.personaltouchdatasettlement.com.

8. What payments are available for individuals whose personally identifiable information or protected health information *was* potentially exposed in the Data Breach?

Settlement Class Members whose PII or PHI *was* potentially exposed in the Data Breach are each eligible to receive reimbursement of up to \$7,500

(in total, per person) for the following categories of unreimbursed, Out-of-Pocket Losses and Attested Time fairly traceable to the Data Breach, including:

- unreimbursed costs, expenses, losses or charges incurred a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of Settlement Class Member's personal information;
- other miscellaneous expenses incurred related to any Out-of-Pocket Expense such as notary, fax, postage, copying, mileage, bank, and long-distance telephone charges;
- credit monitoring or other mitigative costs that were incurred on or after January 20, 2021, through the date of the Settlement Class Member's claim submission;
- unpaid time off work to address issues fairly traceable to the Data Breach at the actual hourly rate of that Settlement Class Member;
- up to three (3) hours of unreimbursed Attested Time (at \$25 per hour) spent remedying issues related to the Data Breach.

9. What payments are available for individuals whose personally identifiable information or protected health information *was not* potentially exposed in the Data Breach?

Settlement Class Members whose PII or PHI *was not* potentially exposed in the Data Breach are each eligible to receive reimbursement for the following categories of unreimbursed, Out-of-Pocket Losses up to a cap of One Hundred Twenty-Five Dollars (\$125) and Attested Time fairly traceable to receiving notice of the Data Breach, including:

- miscellaneous expenses incurred related to any Out-of- Pocket Loss such as notary, fax, postage, copying, mileage, and long-distance telephone charges; and
- credit monitoring or other mitigative costs that were incurred on or after January 20, 2021 (or the earliest verifiable date of receipt of notice from Defendant of the Data Breach) through the date of the Settlement Class Member’s claim submission.

HOW TO GET BENEFITS

10. How do I get benefits?

To ask for a payment or, if applicable, to sign up for credit monitoring, you must complete and submit a Claim Form. Claim Forms are available at www.personaltouchdatasettlement.com, or you may request one by mail by calling (833) 462-3481. Read the instructions carefully, fill out the Claim Form, and mail it postmarked no later than **May 21, 2024** to:

Personal Touch Holding Corp.
c/o Kroll Settlement Administration
PO Box 225391
New York, NY 10150-5391

11. How will Settlement Claims be decided?

The Claims Administrator will decide in their professional judgment whether the information provided on a Claim Form is complete, timely and valid. The Claims Administrator may require additional information from any claimant. If the required information is not provided timely, the Settlement Claim will be considered invalid and will not be paid.

REMAINING IN THE SETTLEMENT

12. Do I need to do anything to remain in the Settlement?

You do not have to do anything to remain in the Settlement, but if you want a payment you must submit a Claim Form postmarked by **May 21, 2024**.

13. What am I giving up as part of the Settlement?

If the settlement becomes final, you will give up your right to sue for the claims being resolved by this settlement. The specific claims you are giving up are described in Section 1.27 of the Settlement Agreement. You will be “releasing” PTHC and all related people or entities as described in Sections 1.26 and 1.28 of the Settlement Agreement. The Settlement Agreement is available at www.personaltouchdatasettlement.com.

The Settlement Agreement describes the Released Claims with specific descriptions, so read it carefully. If you have any questions you can talk to the law firm listed in Question 17 for free or, you can, of course, talk to your own lawyer at your own expense if you have questions about what this means.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this settlement, but you want to keep the right to sue PTHC about issues in this case, then you must take steps to get out of the Settlement Class. This is called excluding yourself from – or is sometimes referred to as “opting out” of – the Settlement Class.

14. If I exclude myself, can I get a payment from this settlement?

No. If you exclude yourself, you will not be entitled to any benefits of the settlement, but you will not be bound by any judgment in this case.

15. If I do not exclude myself, can I sue PTHC for the same thing later?

No. Unless you exclude yourself, you give up any right to sue for the claims that this settlement resolves. You must exclude yourself from the Settlement Class to start your own lawsuit or to be part of any different lawsuit relating to the claims in this case. If you exclude yourself, do not submit a Claim Form to ask for a payment.

16. How do I exclude myself from the Settlement?

To exclude yourself, send a letter that says you want to be excluded from the settlement in the Litigation styled *Everetts v. Personal Touch Holding Corp.*, in the United States District Court for the Eastern District of New York, Case No. 2:21-cv-02061. Include your name, address, and signature. You must mail your exclusion request postmarked by **May 21, 2024**, to:

Personal Touch Holding Corp. Settlement Exclusions

THE LAWYERS REPRESENTING YOU

17. Do I have a lawyer in this case?

Yes. The Court appointed the following lawyers as “Proposed Class Counsel”: John A. Yanchunis of MORGAN & MORGAN COMPLEX LITIGATION GROUP, 201 N. Franklin St., 7th Floor, Tampa, Florida 33602 and Ryan D. Maxey of Maxey Law Firm, P.A., 107 N. 11th St. #402 Tampa, Florida, 33602.

You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

18. How will the lawyers be paid?

Proposed Class Counsel will request the Court’s approval of an award for attorneys’ fees and reasonable costs and expenses of up to \$510,000. Proposed Class Counsel will also request approval of a service award of \$2,500 for the Representative Plaintiff. Any amount that the Court awards for attorneys’ fees, costs, expenses, and a service award will be paid separately per the terms of the Settlement Agreement and will not reduce the amount of payments to Settlement Class Members who submit Approved Claims.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the settlement or some part of it.

19. How do I tell the Court that I do not like the settlement?

You can object to the settlement if you do not like it or some part of it. The Court will consider your views. To do so, you must **file** a written objection in this case, *Everetts v. Personal Touch Holding Corp.*, in the United States District Court for the Eastern District of New York, Case No. 2:21-cv-02061, with the Clerk of the Court at the address below.

Your objection must include all of the following:

- the name or caption of this Litigation;
- your full name, address, telephone number, and e-mail address (if any);
- information identifying you as a Settlement Class Member, including proof that you are a member of the Settlement Class, which is described in response to Question 5;

- a written statement of all grounds for the objection, accompanied by any legal support for the objection that you believe is applicable;
- the identity of all counsel representing you, if any, in connection with your objection;
- a statement confirming whether you intend to personally appear and/or testify at the Final Fairness Hearing;
- a statement identifying all class action settlements objected to by the Settlement Class Member in the previous 5 years; and
- your signature or the signature of your duly authorized attorney or other duly authorized representative.

To be timely, your objection must be **filed** with the Clerk of the Court for the United States District Court for the Eastern District of New York no later than **May 21, 2024**.

In addition, you must **mail** a copy of your objection to both Proposed Class Counsel and PTHC’s counsel, postmarked no later than **May 21, 2024**:

Schoenberg, Esq. 1425 RXR Plaza East Tower, 15 th Floor Uniondale, New York 11566

20. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like the settlement and why you do not think it should be approved. You can object only if you do not exclude yourself from the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT’S FINAL FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant final approval of the settlement.

21. When and where will the Court decide whether to approve the settlement?

The Court will hold a Final Fairness Hearing at 10:00 a.m. on **July 22, 2024**, at the United States District Court for the Eastern District of New York, 100 Federal Plaza, Central Islip, NY 11722, Courtroom 920 (or by Zoom if the Court so orders). The hearing may be moved to a different date or time without additional notice, so it is a good idea to check www.personaltouchdatasettlement.com or call (833) 462-3481. At this hearing, the Court will consider whether the settlement is fair, reasonable, and adequate. If there are timely objections, the Court will consider them and will listen to people who have asked to speak at the hearing if such a request has been properly made. The Court will also rule on the request for an award of attorneys’ fees and reasonable costs and expenses, as well as the request for an service award for the Representative Plaintiff. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

22. Do I have to attend the hearing?

No. Proposed Class Counsel will present the Settlement Agreement to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to come to the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 19, the Court will consider it.

23. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Fairness Hearing. To do so, you must file an objection according to the instructions in Question 19, including all the information required therein. Your objection must be **filed** with the Clerk of Court for the United States District Court for the Eastern District of New York by mailing it postmarked no later than **May 21, 2024**. In addition, you must **mail** a copy of your objection to both Class Counsel and PTHC's counsel listed in Question 19, postmarked no later than **May 21, 2024**.

IF YOU DO NOTHING

24. What happens if I do nothing?

If you do nothing, you will get no benefits from this settlement. Unless you exclude yourself, after the settlement is granted final approval and the Judgment becomes Final, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit about the legal issues in this case, ever again against PTHC or any related people or entities as described in Sections 1.26 and 1.28 of the Settlement Agreement. The Settlement Agreement is available at www.personaltouchdatasettlement.com.

Case No.: 2:21-cv-02061 (JMA) (ARL)

**SUPPLEMENTAL DECLARATION OF CO-CLASS COUNSEL RYAN D. MAXEY IN
SUPPORT OF PLAINTIFF’S UNOPPOSED SUPPLEMENTAL MOTION FOR
SERVICE AWARD AND AWARD OF ATTORNEY’S FEES AND LITIGATION COSTS
AND PLAINTIFF’S UNOPPOSED MOTION FOR FINAL APPROVAL OF CLASS
ACTION SETTLEMENT AND CERTIFICATION OF SETTLEMENT CLASS**

I, Ryan D. Maxey, being competent to testify, make the following declaration:

1. I am currently the owner and principal member of Maxey Law Firm, P.A. (“Maxey Firm”). I am co-Class Counsel for Plaintiff. I submit this supplemental declaration in support of Plaintiff’s Unopposed Supplemental Motion for Service Award and Award of Attorney’s Fees and Litigation Costs and Plaintiff’s Unopposed Motion for Final Approval of Class Action Settlement and Certification of Settlement Class. Except as otherwise noted, I have personal knowledge of the facts set forth in this declaration and could testify competently to them if called upon to do so. A true and correct copy of the Settlement Agreement (“S.A.”) was filed with the Court (ECF No. 37-1).

2. I incorporate by reference my declaration in support of Plaintiff's Unopposed Initial Motion for Service Award and Award of Attorney's Fees and Litigation Costs (ECF 41-1) (the "Initial Declaration").

3. I have confirmed with the vendor of Identity Defense Total Service that two (2) years of this service has a retail value of \$479.76 (\$19.99 per month with no discount for purchasing two (2) years).

4. It is Class Counsel's understanding based on information provided by Defendant that the initial cost for PTHC's implementation of certain security was approximately \$700,000, as follows: (i) \$223,000 for enhanced email platform licenses, (ii) \$38,193 for implementing multi-factor authentication, (iii) \$67,880 for cybersecurity awareness training, (iv) \$128,100 for endpoint detection, monitoring, and response systems, (v) \$209,800 for additional dedicated security resources, (vi) \$40,000 for annual risk management assessments and penetration testing by third-party. In addition to these initial costs, PTHC incurred and will incur: (i) approximately \$300,000 in man hours for implementing and maintaining these changes and (ii) approximately \$700,000 in annual subscription fees and vendor charges, for a total approximate investment by PTHC of \$1.7M to date. Id.

5. I update paragraph 3 of my Initial Declaration to reflect work performed in connection with the supplemental fee motion and the motion for final approval of the Settlement, as follows: To date, the efforts of attorneys John Yanchunis, Ryan Maxey, Patrick Barthle, and Kenya Reddy and paralegal Jennifer Cabezas on behalf of Plaintiff and Class Members include the following:

- Investigating the data breach and other factual allegations in the complaint,
- Preparing the complaint,

- Analyzing PTHC's letter requesting a pre-motion conference regarding its anticipated motion to dismiss pursuant to Fed. R. Civ. P. 12(b)(1) and (6) and preparing a response to same,
- Attending the Rule 26(f) conference and preparing the Rule 26(f) Report,
- Preparing for and attending the pre-motion conference regarding PTHC's anticipated motion to dismiss;
- Preparing a mediation statement,
- Traveling from Florida for and attending an in-person mediation in New York (attorneys Maxey and Barthle),
- Attending follow-up telephonic conferences with the mediator,
- Negotiating and preparing settlement term sheets,
- Negotiating and preparing the Settlement Agreement, and the exhibits thereto, including the claim form, the short form notice, the long form notice, and the proposed order granting preliminary approval,
- Preparing the preliminary approval motion and the declaration of counsel in support thereof,
- Preparing the initial motion for service award and attorney's fees and litigation costs and the declaration in support thereof,
- Preparing the supplemental motion for service award and attorney's fees and litigation costs and this declaration in support thereof, and
- Preparing the motion for final approval of the Settlement and this declaration in support thereof.

6. No agreements have been made in connection with the proposed Settlement apart from those identified in this motion and, as referenced in the Settlement Agreement, the Parties agreement that PTHC may void the Settlement Agreement in the event there are more opt-outs than listed in a separate letter agreement (S.A. ¶ 4.4).

¹ Attorney Ryan Maxey started his own law firm in July 2023 but continued to work on this case.

7. Based on my experience, had Plaintiff eventually filed a motion for class certification, PTHC would likely have opposed it, thus increasing the parties' expenses and further delaying proceedings.

8. I am unaware of any data breach class actions that have made it to trial, making it particularly challenging to assess the likelihood of each potential outcome.

9. Regarding the ability of PTHC to withstand greater judgment, Class Counsel obtained the proposed settlement benefits without regard to PTHC's ability to withstand a greater judgment; in other words, the benefits were not compromised due to PTHC's financial condition.

10. Class Counsel investigated publicly available information about the Data Breach; prepared the complaint; responded to Defendant's request for a pre-motion conference regarding its anticipated motion to dismiss, which challenged Plaintiff's Article III standing and whether Plaintiff alleged viable claims for negligence, breach of an implied contract, and breach of confidence; mediated Plaintiff's claims in person in New York; negotiated a term sheet and, later, a formal settlement agreement; and, ultimately, were able to obtain benefits for individuals whose information was not potentially impacted (*i.e.*, for time or money spent in response to receiving notice of the Data Breach) and significantly better benefits for those whose information was potentially impacted.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
